Because Ravi Kumar S was born on **Krishna Amavasya (New Moon Day)** with **Saturn and Rahu in Lagna** and **Moon in the 8th House**, remedies must specifically address lunar revitalization (*Chandra Posha*), ancestral peace (*Pitru Tattva*), and physical nervous grounding.

Category	Prescribed Remedy / Upaya	Procedure & Expected Astrological Benefit
1. Amavasya Janma Shanti	**Kalastha Ghee Chhaya Daan:** Pour warm pure cow's ghee into a bronze bowl (*Kamsa Patra*). Look at your reflection until face is clearly seen.	Donate this bowl along with black sesame seeds, raw rice, and dakshina to a temple priest on an Amavasya morning. Neutralizes the birth eclipse shadow and restores cellular vitality.
2. Pitru Tarpanam	**Amavasya Water Offering:** Offer clean water mixed with black sesame seeds facing South every monthly New Moon day.	Pacifies the Tithi Devatha (Pitrus); clears subconscious guilt and unlocks uninterrupted professional progress.
3. Lal Kitab Totke (Moon in 8th)	**Sealed River Water Pot:** Keep sacred well water or flowing river water in a sealed pure silver pot in the home pooja room.	Never construct an underground water tank in the center of the house. Never donate pure milk on Monday nights. Touch mother's/elderly women's feet daily.
4. Lal Kitab Totke (Saturn-Rahu in 1st)	**Solid Silver Square Plate:** Keep a 1-inch square solid pure silver piece in your wallet or pocket at all times.	Grounds the mental static of Saturn-Rahu in Lagna. Avoid accepting free iron or electronic gifts. Float whole water coconuts in a river on Saturday afternoons.
5. Lal Kitab Totke (Mars-Ketu in 7th)	**Solid Silver Ball & Sweet Roti:** Carry a solid silver ball (Goli). Feed sweet rotis kneaded with jaggery to stray dogs on Tuesdays.	Pacifies fiery domestic temperaments and cools the 7th house martial energy.
6. Nakshatra Devatha Activation	**Indragni & Kaitha Tree Worship:** Water the Kaitha / Wood Apple or Bilva tree whenever Moon transits Vishakha Nakshatra.	Offer Wood Apple / Starfruit and recite **'Om Indragnibhyam Namah'** 108 times at sunrise on Vishakha days to awaken career ambition and leadership.
7. Vedic Mantra Sadhana	**Guru Beej & Maha Mrityunjaya:** • Jupiter: *Om Gram Greem Graum Sah Gurave Namah* (108x Thursdays). • Maha Mrityunjaya: 11x daily morning.	Fortifies Lagna Lord Jupiter in 7th Kendra and establishes an impenetrable divine shield against health vulnerabilities.
8. Gemstones & Sacred Metals	**Yellow Sapphire (Pushparaja) + Silver Kada:** • Natural Yellow Sapphire (4.5–5.5 carats) in Gold/Panchadhatu on right index finger on Thursday. • Pure Solid Silver Kada on right wrist.	Yellow Sapphire magnifies Jupiter's executive authority; pure silver on wrist acts as a biological capacitor soothing the Amavasya Moon and calming the nervous system.
9. Sacred Rudraksha	**5-Mukhi & Gauri-Shankar Rudraksha:** Wear a certified natural Gauri-Shankar bead conjoined with a 5-Mukhi bead around the neck on a white silk thread.
